COVID-19 Information

Masks are Required:

In accordance with the Minnesota Executive Order, masks are required in all indoor public places. Please wear a mask when you enter our store. If you do not have one, please ask a clerk for one. If you are unable to wear a mask due to health reasons, consider using our Curbside Order option (see details below).

Store Capacity:

Following the CDC and MN Department of Health guidelines, we may limit the number of customers in our store so customers can maintain the recommended distance between them of 6 feet. Please enter through the main entrance (Wilkommen above the door). An employee will allow more guests to enter as others leave. Consider limiting the number of family members, so other customers can enter.
